Education

BS Business Administration, Marketing Major, University of Kentucky

Formed and managed the following companies:

- Sutton Equipment Marketing Corporation which was formed in 1979. The principal line of business being the buying, selling and leasing of computer equipment. Became one of the largest Computer Dealer - Lessors in Houston, TX. Some major clients were Tenneco, Superior Oil, Western Geophysical, and Reed Tool Co. Shut down in 1998.
- CAMP was formed 1988 to develop marketing and administrative software for computer dealers/lessors. It consisted of a series of independent modules that would perform contract administration, inventory control, residual value calculations, asset tracking, etc. CAMP was an IBM Business Partner for the AS400, RISC 6000, Personal Computers, and Networking equipment. Shut down in 1996.
- BancLease was formed to structure and offer reverse tax shelter offerings to small banks that required soft income to improve their balance sheet. Additionally, BancLease entered into an agreement with a local securities company to structure a \$50 million income fund private placement offering. BancLease worked with the lawyers and accountants to structure and develop the offering. The securities company had the responsibility of marketing the final product to their pension fund customers. They were not successful in selling this offering due to internal problems and BancLease was dissolved in 1994.
- Red Rose Mortgage, LLC was formed in 2005. It is inactive but current with all licensing requirements.

Companies that were purchased

- Fisb Magazine and Innovative Realty in 2003. Inactivated both in May 2010.
